First Holy Communion

Many thanks to all parishioners for their help with the First Holy Communions in the parish. Thanks also to the school communities of St Bride's and St Charles' for their guidance of the children at this time.

Pope Francis

A Lamborghini car was donated to Pope Francis recently which he has sold on for charity. The sale of the car raised 715,000 euros (£624,710).

Gaza

Please remember in your prayers the people who lost their life and all those who were injured in the border area between Israel and Gaza. It is never legitimate for soldiers to shoot with live bullets into crowds of protestors. The figures speak for themselves: protestors, 62 killed and over 2000 injured....no members of the Israel army were killed or injured. It is a terrible scandal. 1.8 million living in Gaza. 475,000 living in emergency shelters with other families. 17,200 homes destroyed. 244 schools damaged.

Man of His Word

A new film about Pope Francis' life and views is to come out soon. In it Pope Francis speaks about his reflections on the Church and the world at this time.

New Property

The small Closed Brethren hall in Busheyhill St (opposite our Church) has recently closed its doors after many years of worshipping there. I have been approached by the owners enquiring whether we wish to purchase the building. I have expressed a strong desire, on behalf of the parish, to take possession of the building. It would serve as a secondary parish hall, enabling us to do more and offer more. The building would need work done on it, but it would be a great asset to us in the future. This will be the first time since the opening of the parish, about 130 years ago, that we have bought an additional property.
